I am the parent/guardian of an Edmonton Ski Club athlete _____

Athlete Name

Being the parent/guardian of an athlete means I will encourage the best of skiing and training

- I will respect my child's coach
- I will encourage racers of all clubs to do their best
- I will encourage and cheer on all members of our ESC team
- I will never say negative things to any racer, coach, or volunteer
- I will not tolerate rudeness or negative comments made by other parents or racers

I know that my child's ability to race and train is entirely dependent upon the willingness of parent/guardians to volunteer.

- I will regularly volunteer in helpful ways
- I will treat all volunteers from all clubs with respect
- I will remember that all activities of the Edmonton Ski Club, races and training events are run by people who are volunteering their very limited time
- I will criticize the actions of a volunteer only in the case where I am prepared to take on and complete every part of their volunteer commitment in a better way than they have done.
- I will always show appreciation and respect for the efforts of volunteers and coaches.

The actions of my racer and my family affects the volunteers, coaches, and other racers and families participating.

- I will be on time
- I will pay all bills on time, without reminder
- I will register my racer for events at the time requested by the coordinator
- I will respond promptly and fully to requests for information regarding race entries/willingness to volunteer or preferred accommodation
- I will ensure my racer participates in tear sown and completes his or her responsibilities at race and training sessions

In short, I and my racer(s) will be where we are supposed to be, at the time we are supposed to be there, to do what we are supposed to do and to complete the responsibilities that we are supposed to complete.

The actions of racers, parents/guardians and coaches at any ski hill affects the reputation of the Edmonton Ski Club.

I will act in a respectful manner at all times

I will provide a positive role model for athletes and others

Where I witness inappropriate actions, I will speak up and respectfully require a correction

For example:

- If I witness a racer bullying/taunting or otherwise discouraging another racer, I will tell that racer that their behavior is inappropriate and will not wait for others to do so.
- If a racer is skiing in an unsafe manner and I am unable to tell the racer, I will report the matter to an appropriate authority.
- I will correct a person of any age who raises his/her voice in anger at a racer, a coach, volunteer or staff member.
